Southwest Airlines Announces Changes to Schedule *Nonstop Service to Panama City Coming in May 2010*

NASHVILLE, Tenn. – Southwest Airlines has notified Nashville International Airport (BNA) that it is adding nonstop service to Panama City, Fla., beginning May 23, 2010. Southwest will add nonstop service to St. Louis, Seattle and Oakland, effective May 9, 2010, through Aug. 13, 2010. Southwest will also be adding flights to four markets it currently serves from BNA and reducing one of its daily flights to Tampa, effective May 9, 2010, through Aug. 13, 2010.

Effective May 23, 2010, Southwest will add two daily nonstop flights to Panama City, Fla. (ECP).

Effective May 9, 2010, through Aug. 13, 2010, Southwest will add daily nonstop service from BNA to these new markets:

- Oakland (OAK) – One flight
- Seattle (SEA) – One flight
- St. Louis (STL) – Two flights

Effective May 9, 2010, through Aug. 13, 2010, Southwest will add one daily flight to each of the following markets:

- Kansas City (KCI) – From three flights to four flights
- Las Vegas (LAS) – From two flights to three flights
- Phoenix (PHX) – From two flights to three flights
- San Diego (SAN) – From one flight to two flights

Effective May 9, 2010, through Aug. 13, 2010, Southwest will reduce one daily flight to Tampa (TPA), resulting in four daily flights.

“Air service to these new markets and expansion of existing air service to several markets is a positive for Nashville International Airport’s customers and strategic partners. Today’s announcement helps expand the Nashville Airports Experience to more passengers and partners,” said Raul Regalado, president and CEO of the Metropolitan Nashville Airport Authority, which owns and operates Nashville International.

Nashville International Airport is served by 12 carriers. More than 375 average daily arriving and departing flights, four of which are international, operate from 45 air carrier gates. Nashville International provides direct air service to 74 markets, two of which are international. For more information, visit www.flynashville.com.

The Metropolitan Nashville Airport Authority (MNA) was established in 1970, and owns and operates the Nashville International Airport (BNA) and John C. Tune Airport (JWN). For more information, please visit www.flynashville.com.
