

NASHVILLE INTERNATIONAL AIRPORT

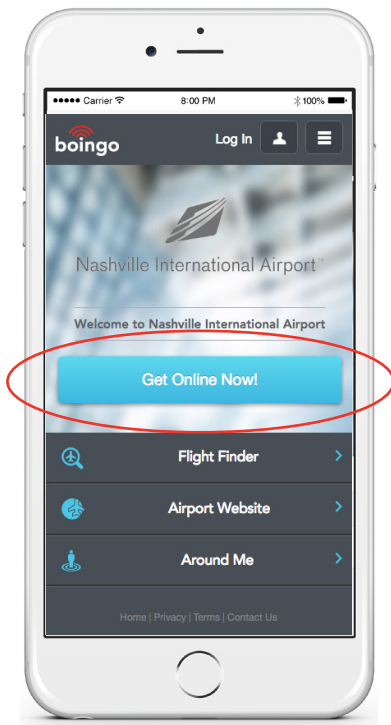

FREE WI-FI

Connecting has never been easier!

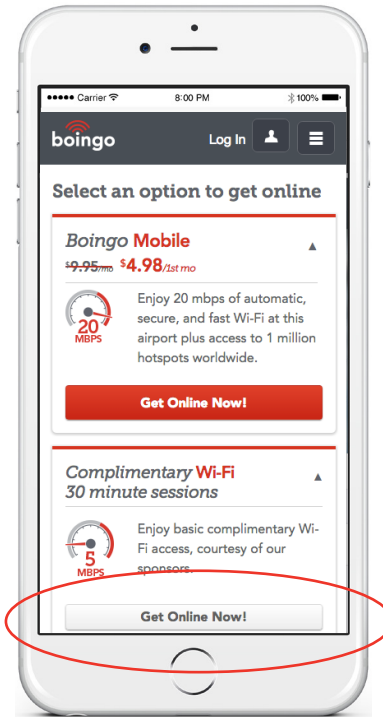

Set your Wi-Fi to **ON**. This option is usually located in the device's settings menu. Then, select the **Boingo Hotspot** wireless network from the list.

STEP 1

From the welcome page select **Get Online Now!** to begin.

(If you do not see this page, open your internet browser.)

STEP 2

To connect to the free Wi-Fi, select **Complimentary Wi-Fi** option.

(Your 30-minute free session will begin after you watch a brief ad.)

Need more than 30 minutes of complimentary Wi-Fi?

We've got you covered. Free Wi-Fi sessions are unlimited at Nashville International Airport. Just select the complimentary option again and watch another ad once your time is up.
